# IMPORTANT SAFETY RECALL

## LED (Light Emitting Diode) Lighting Products

A19

G25

PAR20

OSRAM SYLVANIA is voluntarily recalling the following ULTRA™ LED lighting products, bulb shapes: A19, G25, and PAR20. The bulbs may overheat, resulting in the potential to cause a fire hazard. Please stop using this product immediately.

**No other ULTRA LED products are affected by this recall.**

If you have the effected ULTRA LED products, you should contact OSRAM SYLVANIA for a free replacement. Do not return this product to this store. For more information, call OSRAM SYLVANIA toll-free at 1-855-574-2533 or visit [www.sylvania.com/ledrecall](http://www.sylvania.com/ledrecall).

At OSRAM SYLVANIA, your safety is important to us. We apologize for any inconvenience this voluntary recall may cause.
